THE WINE LIST

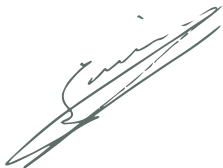

Welcome!

The wine menu at Prime has been designed to make the most of your experience by providing the best selection in an array of styles, brands and prices, so don't worry if you are unfamiliar with many of the producers. We wanted to have many well-known producers, as well as boutique wineries which are producing limited edition wines. This way you have the opportunity to have your favourite bottle or try something you just read about. We believe that wine is simply an extension of the meal enhancing your experience in our restaurant. There aren't any wrong choices when it comes to wine, just some that are more to your personal taste. Because of this belief, our whole team is prepared to answer questions and assist in choosing the right wine for you.

Bine ați venit!

Meniul de vinuri Prime a fost creat pentru a completa experiența dumneavoastră, oferind o selecție variată de stiluri, branduri și prețuri, așa că nu vă îngrijorați dacă nu sunteți familiarizați cu unii dintre producători. Ne-am dorit să avem producători foarte cunoscuți, dar și crame boutique care produc vinuri în ediții limitate. În acest fel aveți oportunitatea de a degusta sticla de vin preferată sau să încercați ceva despre care ați citit. Noi credem că vinul este complementar mâncării îmbunătățind experiența dumneavoastră în restaurantul nostru. Nu există alegeri greșite când vine vorba de vin, doar unele care sunt mai mult pe gustul dumneavoastră. Datorită acestei convingeri, întreaga noastră echipă este pregătită să răspundă la întrebări și să vă ajute în alegerea vinului potrivit pentru dumneavoastră.
